Good afternoon Amanda,

Please find attached a document containing the narrative details for facilities in SNC for the upcoming QEM call on April 21st. My apologies that I believe there is still one region that I do not have full comments on yet, but I'll be forwarding the document to them try to get those details back to you for the call. In the meantime, I wanted you to have this to review while I work on that on our end. Please let me know if you have any questions in the meantime.

Thanks,

-Bob
